The social given Wednesday evening in The social given wednesday evening in Trinity church vestry in aid of the piano fund was quite largely attended and was thoroughly enjoyable. It took the form of a reunion after the summer vacation. Prof. and Mrs. W. M. Newton, Mrs. M. L. Beardsley and Rev. C. O. Judkins received the people as they arrived and made every one feel at home. Refreshments of lemon-ade and cake were served by a corps of young ladies, after which a short musical and literary programme was rendered.

Rather than to have their town go unrepresented the voters of Warren were bound to fight it out on that line if it took all summer and Thursday evening their eff rts were finally successful. # Mrs. Pinkham's

Advice and Lydia E. Pinkham's Vegetable Compound have restored health and happiness to scores of women. This is not a mere advertising claim,

but a positive fact. The reason Mrs. Pinkham is so qualified to advise women is because for 20 years she has been treating and studying woman's ills. Her address is Lynn, Mass.

If you are Ill, write to her for help, as thousands of women are doing.

Lydia E. Pinkham's Vegetable Compound

relieves painful periods and regulates menstruation. It cures backache, kidney troubles and all uterine disorders.

Read the letters from women appearing regularly in this paper.

EATING AND SLEEPING .- Food supplies the substance for repairing the wastes of the body, and gives strength. Sleep affords the opportunity for these repairs to be made. Both are necessary to health. If you can't eat and sleep, take Hood's Sarsaparilla. It creates a good appetite and tones the digestive organs, and it gives the sweet, restful sleep of childhood. Be sure to get Hood's.

Bilionsness is cured by Hood's Pills.

Twenty-five cents.

### ELECTION RETURNS.

Returns from 241 towns out of 246 cities and towns in the State give the Governors' vote as follows: Stickney, R., 48,102; Senter, D., 15,919; all oth-ers, 1,275. In 1896 the same towns gave Grout, R., 53.288; Jackson, D., 15,024; all others, 1,636. The returns from towns reported gave

Stickney a plurality of 32,183 and a ma-

jority over all of 30,908. The Republican plurality in the same towns four years are was 38,264 and the majority over all was 36,628. The five towns not yet heard from gave the vote for Governor four years 128 188 12 ago as follows: Grout, R., 388; Jack-

on, D., 102; all others, 5.

Promi ent Republicans, basing their estimates on the returns already received, and the vote of the towns in 1896 which have not reported, claim the full vote of the State will show a 33.55 rejority over all for the head of the Republican State ticket of 31,150 and a plurality of 32,450.
